

September 23, 2019

Dear Patient of Arizona Perinatal Care Center,

It is with great sadness that we announce that effective October 31, 2019 Arizona Perinatal Care Center will permanently close. Our staff and providers will continue serving patients through October 31<sup>st</sup> and can assist you with the transition to a new provider.

You can find a new Maternal Fetal Specialist by contacting your primary OB, health care plan, local hospital and/or the Maricopa County medical society for recommendations. Valley Perinatal Services has also offered to assist with this transition. Their office is across the street from our practice at 9250 W Thomas Rd Ste 300, Phoenix, AZ 85037. You can visit [www.valleyperinatal.com](http://www.valleyperinatal.com) for more information or call (480) 756-6000. Referrals can be emailed to [referrals@valleyperinatal.com](mailto:referrals@valleyperinatal.com). Once you have selected a new provider, please notify your primary OB of your decision, so they can provide that office with your records and a referral.

If you have a need for copies of your medical records from Arizona Perinatal Care Center or would like your records transferred please complete the enclosed "PATIENT REQUEST FOR RELEASE OF MEDICAL INFORMATION" form and you can either fax it to (623) 362-2214 or e-mail it to [azpcc@shcr.com](mailto:azpcc@shcr.com). Please call us at (623) 362-2266 with any questions. This contact information will remain intact after the 10/31 closure.

You may also send correspondence to:
